MAKE
Life happen

Godrej | PROPERTIES

Curating thoughtful homes with a 124-year legacy of trust

The Godrej story began in 1897, with the manufacturing of locks. Since then, we have set several benchmarks. From a state-of-the-art manufacturing facility in a suburb of Mumbai, we've reached homes, offices, industries and the hearts of millions of people in India and around the world. With a proud tradition of many firsts, we find ourselves at work every day, building on the foundation of trust that was laid 124 years ago.

Our aim is to curate thoughtful living spaces that restyle the living experience to make it more fulfilling for you and your loved ones.
